

Inavate APAC Awards 2022

2022 Project Award Categories

Corporate Facility

Entries will detail a fully integrated AV system successfully implemented within a business to business environment such as a boardroom, meeting room or entire office facility.

Education Facility

Entries will detail a fully integrated AV system successfully implemented within an educational facility, such as a school, higher education establishment or training centre.

Hospitality

Entries will show a fully integrated AV system successfully implemented within a facility that entertains and accommodates guests such as a hotel, nightclub or restaurant. Details of temporary installations will also be considered.

Retail

Entries will detail a fully integrated AV system successfully implemented within a retail environment such as an individual outlet or larger retail centre. Examples might include in-store messaging systems, as well as digital signage or public safety solutions.

Visitor Attraction

Entries will detail a fully integrated AV system successfully implemented within a visitor attraction such as a museum, theme park or gallery. Special consideration will also be given to interactivity and content.

Leisure & Entertainment

Entries will show a fully integrated AV system successfully implemented within a leisure or entertainment facility such as a theatre, cinema, auditorium, multipurpose venue or sports facility.

Experience Centre

Entries need to highlight dedicated zones or spaces for the purpose of showcasing an 'experience' and telling a story created by AV systems. There must be proof of integration and deployment of systems, defined as different product types integrated together to perform a function.

... More Award Categories

APAC Consultant of the Year

Entries will highlight a body of AV work designed, delivered and commissioned over the course of the required time frame in Asia Pacific. The submission should highlight the professionalism and breadth of work that has been accomplished by the consultant.

APAC Distributor of the Year

Entries will show the contribution made to the deployment of AV systems from the point of view of a distributor for the Asia Pacific region. Submissions should focus on demonstrating the value added to build projects.

APAC Icon of the Year

Entries will detail a lifetime and achievement. Submissions must also highlight how the individual has made contributions to the advancement of the AV industry and has significantly influenced the course of AV throughout their career.

Inavate APAC Awards 2022

Judging Criteria / Entry Guidelines

Eligible projects must have been completed between 1st July 2021 and 30th June 2022.

A panel of judges has been chosen to ensure scores are delivered from the viewpoints of a number of disciplines representative of the complete business cycle of any new build or AV technology upgrade.

Tip: Give your project an even greater chance of being recognised by supplying an informative and well-presented case study style document that demonstrates an attempt to satisfy all aspects of the required judging criteria.

IN YOUR ENTRY DOCUMENT PLEASE WHERE POSSIBLE CLEARLY OUTLINE:

1. Category you are entering (see first page for full list of categories).
2. Overall Summary - summarise the complete entry.
3. Name of Project - start date, completion date, approximate value, integrator, consultant/project manager or other companies specifically involved.
4. Client brief & requirements.
5. Description of areas/systems (where applicable e.g. main boardroom, meeting room 1, 2 & 3, reception area etc).
6. Technology specification for system(s) installed in as much detail as possible - equipment manufacturers must be listed.
7. Entry statement and objectives- key elements, challenges, trouble shooting. Include any bespoke programming or customisation of product.
8. Consideration of the environment- design, technology and usage thereafter.
9. Client testimonial.

APAC Consultant of the Year Award

Consultants and Project Managers can also be nominated as part of a project entry. If you would like to highlight a consultant or project manager's work within your project please outline why the individual in question is a worthy winner.

Where possible, worthy winners should demonstrate the ability to:

- **Present original proposals to meet a client's requirements;**
- **Develop innovative solutions to tackle challenges within a project;**
- **Successfully co-ordinate different stakeholders and contractors within a project;**
- **Deliver projects on time, within budget and to the satisfaction of the client.**

The small print

All entries must be submitted online.

The judges will be looking for a good story, well told, and backed up with solid metrics where applicable. You may enter as many categories as you wish, but you must complete a separate submission for each one.

If you are unsure which category to choose, please contact hurrairah@imlgroup.asia

Documents should be in PDF or Word doc format.

We encourage video however please provide a link to video hosted elsewhere rather than a video file. PowerPoint files will not be accepted. Any information submitted outside these guidelines will not be considered.

When you have completed your entry please fill in the required fields on the Inavate APAC Awards project entry page and upload as a .pdf, .docx or .doc
